Brief Job Description:

Please complete this small survey. The information will be used to better serve you and current students. If you have any questions about it, please contact the Biostat Main Office at 612-624-4655.

Would you be willing to have current Biostatistics students contact you at work? Students may have questions regarding job searches, or the nature of having a career similar to yours.

Yes No

If you answered yes, how would you prefer to have students contact you?

Phone E-mail

Would you like to have your name and graduation year listed in the Alumni section of our web-page?

Yes No

Would you be interested in participating in the SPH mentor program, speaking at orientations, or participating in other student recruitment efforts? If so, we will contact you with further information.

Yes No

Thank you!
